Who are we?

All Saints Community Projects is a limited company with charitable status company number 6473845. Charity Number 1136158

All Saints Youth Project is a part of this company.

All Saints Youth Project has been providing recreational and informal educational opportunities for young people aged 11 to 19 years old (up to 25 for those with disabilities) since 1998. It has grown from an established history of open youth work at All Saints Church to be a major youth project for young people and their parents in South Birmingham.

We have a strong commitment to developing an inclusive project open to all young people, regardless of ability or background, to support their transition from adolescence to adulthood. The Parent Project was created to enable us to deliver a more integrated approach by addressing the needs of the family.

The All Saints Youth Project is part of the community development that is taking place on the All Saints Church site and is headed by a voluntary management committee. Our work is maintained through ongoing fundraising from a range of sources including grants and trusts.

At the Youth Project we are committed to keeping your personal information safe. This notice lets you know how and why we collect your personal information, how we use it, and how we protect it.
